

ACTION NANO-CERAMIC SERIES

Ultra High-Performance
Automotive **Window Film**

- No Color Fading
- No GPS or Cell Interference
- 99% UV Block
- Limited Lifetime Warranty
- Dye-free & Metal-free

Our **ACTION** Series incorporates carbon-ceramic layered technology that maintains a deep, warm color that will never fade.

ACTION blocks up to 99% of harmful UV rays, protecting passengers, and shielding sensitive interiors from damage and discoloration. The non-metallized film ensures uninterrupted connection with GPS units, mobile devices, and radio signals. Our range of variable tint levels allows for custom looks, enhanced levels of vision and privacy, and maximum heat rejection to keep cars cool and safe on the road.
